

CanyonVet would like to provide our clients with the following information regarding licensing of your pets within the City of New Braunfels and within Comal County. Your pet is required to have a current Rabies Vaccination at all times after 12-16 weeks of age. The City of New Braunfels residents are required to obtain a rabies vaccine each year. Comal County residents are required to obtain a rabies vaccine every 3 years after the initial 1 year vaccine. Rabies vaccines are administered by licensed Veterinarians only. Your Veterinarian should provide you with proof of vaccination which is generally in the form of a Rabies Certificate. It is your responsibility as a pet owner to contact the appropriate authority to maintain licensing of your pet. We have provided you with the relevant information and a link providing you access to where we have obtained this information for your review.
